

UK VISA AND IMMIGRATION
Entry Clearance Officer decision

Dear Applicant,

Thank you for your application for a Standard Visitor visa to the United Kingdom.
I have carefully considered all the information and documents you have provided.

I am not satisfied that you are a genuine visitor as required under paragraph V 4.2 of Appendix V of the Immigration Rules. I am not satisfied that you would leave the UK at the end of your visit.

You state that you work as a trader, however the bank statements you have provided do not show a clear source of income consistent with your stated occupation. I am not satisfied that you have provided adequate maintenance and accommodation for the duration of your stay.

I have also considered your ties to your home country. The evidence provided does not demonstrate compelling reasons for you to return to Nigeria at the end of your visit, and your personal circumstances have not been adequately evidenced.

For the reasons above your application is refused under paragraph V 4.2 of Appendix V of the Immigration Rules.
